Crisis Plan

Triggers: if he doesn't get his way, if something is taken from him, feeling ignored

Signs of a Crisis: talking under breath, voice starts escalating

Potential Crisis: screaming, throwing things, threatening, wanting to leave, stomping, disrespect

Action Steps for home and school (attached to strengths and natural supports)

- 1) try to tell him you are only trying to talk to him
- 2) send him to room
- 3) give him space and time to calm down / give him a break.

Services & Supports that may be used in a crisis (PMHS, Community, and Natural):

Delaware Guidance - Erica Winn

Responsible People and phone numbers:

Erica Winn - 302-381-3741
